Subject: RE: Bethel and Barrow

My understanding is that once the whaling season begins, residents are not around to host a town hall meeting. Certainly, it is an honor to be invited. Perhaps a town hall meeting during the week of the 16th and then ask to be there the following year for the opening of the whaling season. Additionally, I have been told that search and rescue has been called in more often than most can remember because the ice is breaking up differently than in the past and is stranding whalers who are setting up camp right now.

Before I begin looking at your schedule, do you want to try and get to Barrow in the next two weeks – before whaling season begins? Or shall I just try to send Tom Irwin?

Please provide guidance.

i still need the language re: two previous advisory votes that passed, saying "no" to airplane shooting of wolves. what were specifics? banning F & G biologists even from using aircraft to cull?

i am still asked why i'm "violating the will of the people" and need that ballot language to futher explain my position.
thanks!

The Anchorage Bucs Baseball Club, a member of the Alaska Baseball League, would like to honor Governor

Palin with a "Governor's Night" at Mulcahy Stadium this summer. We would like to honor Gov. Palin by

having her throw out the ceremonial first pitch at a game one night that she is in Anchorage. I assume

she is constantly traveling, so this wouldn't be a huge commitment. She doesn't even have to stay for

the whole game.

The contact with the Bucs is Zak Basch, 907-561-2827. Thank you for your consideration.

Hello, I am just wondering if Mr Palin has had a chance to see if he will be able to visit Willow School

on April 20. I know he is very busy and the weather has detained travel this past week. I am hoping you

can call or email as soon as he knows. I don't mean to rush, yet I will need to try and find a

Subject: Prayer Breakfast Photos

Hello Governor,

The Governor's Prayer Breakfast (Lunch this year) would like to run a TV. ad for the event. Would it be okay with you- to use your official picture? Andy Mills is sending a few other pictures over. The advertisement would basically show a few pictures and say something like.."Come join us as we honor, support, and pray for Governor Sarah Palin" followed by the information for the event.

I apologize for bothering you with questions, we just don't want to over-step our bounds or use something that we shouldn't.

Thanks!
